SOULO ZHEN AVAILABLE MASKS

Please note:

- After choosing your mask and discussing design details, you will receive an invoice with total cost and expected completion date for your piece. 50% deposit non-refundable will be required upfront
- Masks classified as “Large” will involve an additional shipping fee. (Hand delivery may be an option for metro Atlanta or surrounding cities)
- I try my best to identify possible origins and styles of the masks, but this cannot be guaranteed! By painting these masks I aim to give them a new life and home where their craftsmanship and style can be appreciated rather than left behind.
- I assess and cleanse the energy of each mask before starting to paint them :)
- Masks in the photos here may have a previous paint design on them, but once your mask is chosen, you will be getting a completely original painted piece by me!
- Scroll to the end of the document to see other completed mask designs.
